USO BAND CONCERT SUNDAY

Opening the final week of the USO campaign for funds, the Daly City Band, under the auspices of the local USO committee, will present a Grand Patriotic Concert at Marchbank park, Sunday afternoon. First notes of the "Star Spangled Banner" will be heard at 2 p. m. The public is invited to attend the performance.

Mayor A. J. Gaggero will act as master of ceremonies. Speaker for the day will be Ted Gifford, director of radio publicity for the USO, it was announced, this week, by William P. Bolger, Daly City USO chairman.

Now in the sixth week of campaigning, the USO annual drive is for funds for yearly operation in serving the soldiers, sailors, and Marines of America in army camps and fronts over the world. The drive will end a week from Sunday.

The Grand Patriotic Concert by the Daly City Band is the second musical concert given here to boost the local quota of USO donations. The music department of Jefferson Union high school also presented a concert two weeks ago for USO benefit.

With a full program of marches, special arrangements of popular American songs and compo-

Local Seaman Dies In S. F. Crash

Edwin L. Miille, 31, 207 Parkview avenue, was killed and three other Daly City persons were injured in an automobile crash in San Francisco, Monday, when a Key System Bus struck the machine in which they were riding.

Miille, in the United States Maritime service as a seaman, lived in Daly City with his brother-in-law and sister, Mr. and Mrs. Clifford Curry, 207 Parkview avenue. The young seaman

Fire Department Plans Open House

"Meet your fire department! See the men and machines that mean protection of your life and property."

This was the invitation issued by Chief Andrew P. Chesney, yesterday, as he announced plans for an open house ceremony, Sunday, July 12.

Motivated by the completion of the two new firehouses, all firemen in the city extended a cordial invitation to residents to see the display of new equipment, including the three new pieces of fire fighting apparatus acquired by the city in January. Both the new firehouses and machines are products of the $40,000 fire department improvement bonds issued by the city.

The entire strength of the fire department will be on view for the public. All firemen will be in uniform. Following are the firehouses and their addresses: Company 1, 188 Santa Barbara avenue; Company 2, Park View and Santa Barbara; Company 4, Roosevelt and Peoria streets; and Company 6, Werner street.

The open house will be an all-day event.

A Yummy Lunch At Only Five Cents

Age often looks on youth with envy and at least this summer it seems to have just cause. If you're of school age, either grammar or high school, you can have a hot, nourishing lunch for only 5c a plate.

This is made possible through the cooperation of Jefferson Union high school and the Surplus Marketing administration. Starting Monday of this week, Daly City children have been invited to have their lunches at the high school cafeteria for a nominal 5c charge. An additional 5c augments the lunch with beverage or dessert, if desired.

The program, which gained great popularity here last summer, will continue until August 14, according to Mrs. Grace Nelson, who again supervises the planning of the meals at the high school. Her assistants are sup-

BUDGET INCREASES NOT TO UP TAX RATES

Despite the need of a $3,000 increase in operating funds for the city budget during the next fiscal year, Daly City taxpayers will not be subject to an increase in tax rates, according to the budget which was approved and adopted by the board of councilmen at Monday night's meeting.

However, Mayor A. J. Gaggero pointed out, by means of the transmittal accompanying the budget, that the cash balance will suffer a decrease of $5,000 due to conditions involving the national emergency. Several large civilian defense purchases have been made by the city already, and it is expected that there will be more in the next year.

The budget authorized expenditures for the fiscal year ending June 30, 1943, and it included certain salary and wage raises of city employees to offset the rising cost of living. Adaption of the budget carried by a vote of 3 to 1, Councilman John J. Fahey sr. casting the dissenting vote. Councilman Fahey said he approved of the budget with the exception of the rate of increase in city employees' salaries, although he did express approval of a 6 per cent minimum raise for

To Open Consumer Information Center

Affording Daly City housewives first hand information about prices of everyday household commodities and methods of conserving supplies of food, clothing, and other necessities, the Daly City Consumer Information center will open Tuesday at 1 p. m. in Room 22 at the city hall.

All housewives who have any questions about how much should be paid for various items, and what commodities can be purchased, are asked to go to the Consumer Information center in the city hall for the answer. There Mrs. Ann Eason, local chairman of the center, has complete information direct from the national Office of Price Administration for all consumers. There is no

Youths 18 To 20 Register Tuesday

To meet greatly increased needs of the War Department for additional thousands of selectee-soldiers, Daly City Draft Board No. 103 prepared to register from 700 to 900 youths between the ages of 18 and 20 years, Tuesday, at five branch offices of the local board.

Dr. J. C. McGovern, chairman of the local draft board, announced that Daly City men will register at the selective service headquarters at the city hall, 75 Wellington avenue, and men in the Colma district will sign up at the Colma firehouse, located on Market street, east of Mission street. Three other registration places will be used for selective service by the local board for reg-

"Not For Just A Day, But Always"—Save Tin!

An urgent patriotic appeal to local citizens was made this week by the Daly City and San Mateo county Salvage for Victory committee for more tin collections from the community to meet the nation's vital demand for metal.

Contrary to statements which have been issued to the effect that there is no need for tin salvage, Theodore M. Lilienthal, county chairman, declared that a serious shortage of tin vital to defense threatens the nation.

To meet this demand for more tin, the Daly City committee renewed the appeal Monday for MORE tin from MORE Daly City housekeepers. More tin cans means more ammunition, more

Nab Two Youthful Firebugs In Colma

Nabbed by a state highway patrol officer, as they were setting fire to a blacksmith shop in Colma belonging to Police Chief Joe Cavalli, two San Francisco youths, one 14 years old and the other 11, confessed to local police, Monday, that they were to blame for three major fires in Daly City and Colma. They also confessed setting a series of small fires.

The blaze at Cavalli's blacksmith shop, located on El Camino Real, completely destroyed the building. This was the third fire set by the boys which resulted in total destruction.

Officer Lloyd Minehan of the state highway patrol caught the boys and brought them to the Daly City Police department. Sergeant W. W. Sunderland questioned the boys and they admitted to setting the fire and two

Defense Council To Honor Every Home Equipped For Raids

Responsibility of preparing every home in Daly City for protection against enemy air raids and incendiary fires was thrust into the hands of local residents, this week, as the Civilian Defense Council prepared to issue approval window stickers to homes which are properly equipped.

Designed to prevent a natural tendency among many residents of taking an apathetic attitude toward protection of their homes in the emergency, the window stickers read "I Am Prepared," and the city officials hope to see a window sticker in every home.

"Let the other fellow take care of my house in case of a fire. He has a hose and some sand," is the thought expressed by many residents, according to the Civilian Defense Council. To be prepraed may some day prove of vital importance and it is simple enough to equip the house properly by acquiring the following articles, if they are not already in possession: sand, rake, shovel, hose, and a ladder.

While the gas de-contamination squad, one of the most important cogs in the civilian defense machinery, was still in the formative stages this week, Arthur H. Quirmbach, senior gas officer of the local Civilian Defense Council, issued an urgent appeal for five more volunteers in this department, Monday.

Quirmbach has six volunteers who will make up the de-contamination squad now training, but the Office of Civilian Defense advises that one worker is necessary per 1000 population. Therefore, it is believed that a total of twelve de-contamination workers will complete Daly City's needs. Now training with Quirmbach for the squad are the following volunteers: R. L. Gray, Joseph Leonetti, Oscar Busch, Frank Watson, E. Bowman, and E. S. Keagle. Duty of the squad is to neutralize streets and buildings which have been contaminated by enemy gas attacks.

Protective clothing and equipment is used by de-contamination workers in preventing personal contamination.

Eugene Norton was appointed by the Civilian Defense Council to the post of chief of the mes-

COACH ALBERT BIGGS LEAVES JEFFERSON HI

After thirteen years of developing athletics at Jefferson Union high school, Coach Albert Biggs concluded a brilliant coaching career at Jefferson when he announced his resignation to school officials.

Coach Biggs, known to proteges who have graced Jefferson's gridiron and diamond in the last decade as "B. I.," has accepted a position at Burlingame high school as mathematics instructor. He will begin the fall term in the Peninsula school, according to James Ferguson, principal of Jefferson. Biggs is expected to serve on the coaching staff at Burlingame as well as in the mathematics department.

With a great deal of concern and much disappointment the news was received by Jefferson high students in their last week at school. It was a gloomy atmosphere that prevailed at the high school, Friday, when they learned that "B. I." was actually leaving Jefferson.

"Our boys felt pretty bad about it," commented Ferguson, "but it was more than that. They took up a collection out of lunch money, and weekly allowances and presented a war bond to Coach Biggs as a tribute to him.

Much of the success of the athletic and physical fitness program, which has gained considerable reputation in educational circles, has been credited to "B. I.'s" leadership. He has seen some great teams playing under Jefferson colors in his regime, and he has seen many great athletes develop under his guidance from small, eager Jefferson freshmen to college stars.

IT'S A SNAP TO AID SCRAP RUBBER DRIVE

After slightly more than two days of collecting scrap rubber in Daly City for the nationwide rubber salvage campaign, a collection of 5,700 pounds was turned in at local service stations, according to R. L. Crane jr., chairman of the campaign.

Scrap rubber began pouring into service stations in the city, early last Monday morning, when the campaign officially opened, and, by Wednesday, Daly City service stations were ready to release nearly three tons to the petroleum industry for reclamation.

Supervised nationally by the Board of Industrial Conservation, the campaign is being directed by the Daly City Salvage committee under the Civilian Defense Council and the San Mateo County Defense Council. The campaign ends Tuesday, and all local residents were urged to join in the drive for more scrap rubber.

Reports Monday showed that donations in San Mateo county passed the 200,000 pound mark but large donations have raised the figure in the past two days.

"There are from twenty to fifty tons of rubber scattered around Daly City," estimated Crane. "If we can only get it collected, it would certainly boost our total collections up quite a bit."

Some organizations in the city are expected to enter the drive during the remaining days of campaigning.

Meanwhile, all householders of the community were asked to comb their attics or basements and collect all the discarded rubber articles that are of no other use and take them to a local service station. Service stations will pay a penny a pound for all rubber articles. In households, there are worn out garden hoses, hot water bottles, galoshes, tennis shoes, and several other articles which contain rubber that would be valuable to the nation's rubber supply following reclamation processes.

When the service stations get the rubber, they turn it over to oil companies. From there it is transferred to the Rubber Reserve company.

other sport, "B. I." was feared by rival P. A. L. coaches as the outstanding baseball coach. Several Indian baseball teams under the tutorship of Coach Biggs finished in the league as champions. Another sport in which Coach Biggs gained much respect from P. A. L. coaches was basketball.

Replacement of Biggs as athletic director of Jefferson has not yet been determined. However, Principal Ferguson revealed that candidates are already being interviewed for the post, and that an appointment will be made in the near future.

A recent addition to the athletic department at Jefferson was made during the past term when Coach Milt Axt was appointed to serve as football and track coach. Coach Axt replaced John Matthews as football coach. Matthews left Jefferson to become an ensign in the United States Navy and athletic director at Treasure Island.

lective service system, the Procurement and Assignment service is listing the names of all professional men of the nation and determining their availability for military duty. The registration and classification is an inventory of the nation's professional forces, Dr. McGovern pointed out, and its purpose is to effect an even distribution, according to population, of dentists, doctors, and veterinarians for the nation's demand.

When the Procurement and Assignment service was set up in the Ninth Army corps, Dr. McGovern, who is also chairman of Daly City Draft Board No. 103, was appointed to take the inventory of dentists in the county. The professional men are placed in one of the three following classifications: available for military duty; unavailable; and essential.

Dr. McGovern said that the Procurement and Assignment service is not limited to military procurement alone, since it is also providing professional service for civilians in communities where doctors and dentists are limited in number.

The selective service makes no demand that these doctors, dentists, and veterinarians be placed in the army, it was learned, but they advise professional men where their services are most needed with respect to individual circumstances.

Dr. McGovern registered and classified 71 dentists in the county, twenty of whom were expected to be available for army service according to the survey.

In the meantime, all local residents were urged to start building up a supply of tin cans for the pick up next week. Cans may be prepared for collection as follows:

1. Remove top and bottom.
2. Remove paper label.
3. Hold under hot water faucet.
4. Flatten by stepping on can.
5. Insert top and bottom of can where it is bent.

SOUTH SEA ROMANCE

Love burns fiercely under the tropical moon when Betty Grable and Vic Mature get together in 20th Century-Fox's Technicolor musical "Song of the Islands." For further instruction in the art of love-making, a visit to the Daly City theatre, this week-end, where the picture is playing, would not be amiss.

South Sea Island Romance Opens

Take Betty Grable's blonde loveliness, Vic Mature's appeal, Jack Oakie's inimitable brand of humor and set them in Technicolor against a background of South Sea romance and heaps of tip-top music, and you have the kind of grand screen entertainment to be found in 20th Century-Fox's "Song of the Islands," which opens tonight at the Daly City theatre.

The story is fraught with romantic possibilities and paced for grand fun. You can be sure that Miss Grable and Mr. Mature make the most of their opportunities.

LAST ROUND-UP

Only a few days to go, Mr. and Mrs. Daly City, in rounding up scrap rubber. It's not too late to canvass attic, garage, basement and closets for this precious material. Anything from bath mats to rubber shoes, from old garden hose to drain plugs, collected and delivered to your nearest gas filling station, will fill the bill.

From the Army's midget scout car, using 339 pounds of rubber, to the Navy's giant dreadnaughts, requiring 75 tons of it, our fighting forces must have first call on our lean supplies of this strategic war necessity.

As President Roosevelt has said, "One thing you can be sure of—we are going to see to it that there is enough rubber to build the planes to bomb Tokyo and Berlin—enough rubber to build the tanks to crush the enemy wherever we may find him—enough rubber to win this war."

Whether gasoline rationing becomes necessary to slacken the pace at which we're burning up rubber on the highways is a question you're going to help decide. The deadline on the rubber salvage campaign is fast approaching. It's time to make that last round-up for the Stars and Stripes.

Daly City Receives $7,322.07 From State

Apportionments of $7,322.07 in motor vehicle license fees to Daly City, and of $63,586 to San Mateo county were announced, this week, in Sacramento by the Department of Motor Vehicles.

These apportionments represent vehicle license fee collections for the period, July 1, 1941 to March 31, 1942. Thils tax, also known as the "in lieu" tax formerly was collected by cities and counties as a personal property levy.

The local apportionments were based on a population of 9,625 for the city and of 83,585 for the county and were a portion of a grand total of $9,560,811.58 apportioned to all cities and counties of California. The grand total is about $100,000 less than for the same period of 1941.

Willard Mitchell Wins Scholarships

Scholastic honors at Stanford university were received recently by a Daly City student, Willard F. Mitchell, former Jefferson Union high school student and now a junior at Stanford.

Mitchell was selected as the winner of the George Gamble scholarship and the James Birdsall Weter award at the Palo Alto school. He was recommended for the scholarships by Jefferson Union high school on the basis of his fine record there before attending Stanford university.

Having graduated from high school here in 1940, Mitchell was one of Jefferson's outstanding students, both in scholarship and school activities. He was president of the student body and was an enthusiastic student in all activities, notably in music.

He is the son of Mr. and Mrs. Willard R. Mitchell, formerly of 551 Vista Grande avenue.

ABOUT TOWN---

Mrs. James Coward, the former Miss Roberta Williams, San Francisco, is the proud mother of a boy, born Monday, June 15, at St. Joseph hospital. Mrs. Coward is well-known in this community where she attended and graduated from Jefferson Union high school. Coward is now serving with the armed forces in Washington.

Leroy Maynard and **Margaret Cox,** both of Daly City, applied for a marriage license in San Francisco, last week.

Mr. and Mrs. Orasio G. Parma, 350 Woodrow street, are being congratulated upon the birth of a son, June 12, in San Francisco.

Richard E. Braden, San Francisco, and **Estelle Cyr,** Colma, applied for a marriage license in San Francisco, last week.

Other recent births in local families include: **Mr. and Mrs. Thomas D. Compani,** 25 Los Banos avenue, a daughter, June 15; **Mr. and Mrs. Joseph Pegoarro,** 142 Werner avenue, a son, June 15; **Mr. and Mrs. Clement A. Rodger,** 707 Niantic avenue, a son, June 7, all in San Francisco.

Robert N. McCune To Receive Wings

Nearing completion of basic training and almost ready to receive his wings in the Army Air Corps is Cadet Robert N. McCune, son of Mr. and Mrs. Earl McCune, 82 Peoria street.

McCune is finishing his basic training at Ellington field, Texas,

McCUNE

and a report this week shows that his class is almost ready for commissions and active duty in the Army Air Corps. He began his basic training in the air corps at Enid, Oklahoma, in March before being transferred to the Texas flying school.

Training with the Army's multi-motored bombers, McCune's course will conclude seven months of intensive instruction. He took primary training for four months previous to his transfer to Enid. His schooling as a flying cadet in the air corps has included ground school, combat orders, precision and instrument flying, radio work and blind flying.

Before enlisting in the air corps, last year, McCune graduated from San Mateo junior college.

Use your car for essentials only, keep your tires inflated and drive under 40 advises the State Highway Traffic Advisory committee. This, it appears, is the way to take the rub out of the rubber shortage!

Hold Funeral Services For Mary Lynn Tallon

Nine-year-old Mary Lynn Tallon succumbed at her home, 64 Risel street, following a short illness, last Wednesday. She was the daughter of Mr. and Mrs. Thomas Tallon.

She is survived by her parents, a sister, Patricia Ann and her grandmother, Mrs. Julia Tallon.

Funeral services were held at 8:30 a. m. Saturday morning from W. C. Lasswell Company chapel. Requiem high mass was held at 9 a. m. at Our Lady of Perpetual Help church. Interment was at Holy Cross cemetery, Colma.

The child was a former student at Our Lady of Perpetual Help school.

The Possibility Of Gas Attack

By Dr. Ward L. Mould, Medical Gas Officer, U. S. Office of Civilian Defense.

(This is the first of a series of six articles about war gases, their characteristics, and the measures the civilian can take to protect himself against gas injury).

The first step in the citizen's defense against war gases is to obtain a clear understanding of what gas can and cannot do. This series is designed in part to dispel some of the current misinformation about war gases.

Despite the increasing range and capacity of aircraft, a gas attack on a large enough scale to cause injury to a substantial portion of a large city is not regarded in authoritative quarters as feasible. Even in limited areas gas, to be effective, must be used in great quantities.

Gas might be used in an attack upon a city either alone or in conjunction with other weapons. The better citizens are trained and equipped to deal with gas the less likely it is that gas will have any appreciable effect.

Quick-acting types of gases may be used against a community to produce immediate casualties, throw the population into a state of panic and disrupt their Protective Services. Slow-acting types, which may remain effective for several days in a liquid form, may be used to "contaminate" important factories, railroads, highways, etc. to prevent their use. Such gases could be sprayed or sprinkled from airplanes in the form of a fine rain or they might be contained in bombs dropped from planes. Citizens will find it of value to know something of the varieties of gas that might be used.

PARTY HONORS ROBERT SEILER

Robert Seiler, 663 Evergreen avenue, was honored at a combination graduation and going away party, last Wednesday. The affair was given by his parents, Mr. and Mrs. H. J. Seiler, for relatives and friends.

A buffet supper was served to over sixty guests at the close of the commencement exercises at the Jefferson Union high school.

Seiler left, early Thursday morning, for Los Gatos where he will be employed as manager and life guard of the Los Gatos swimming pool. He will be in that vicinity for the summer. Seiler extended an invitation to his many Daly City friends to come down to the pool during the school vacation.

Greyhound Opens New Terminal For Peninsulans

The temporary depot for bus commuters from Peninsula points will be opened, June 29, by Greyhound at Seventh and Stevenson streets, between Mission and Market, it was announced today by F. W. Ackerman, vice-president of Pacific Greyhound Lines. All local bus commutation service between San Francisco and San Jose, including that on both the Mission street and Bayshore highway routes will operate into and out of this depot. Buses on these routes formerly used the Fifth and Mission streets terminal.

"By devoting this temporary depot exclusively to Peninsula service, overcrowding at the Fifth and Mission terminal will be greatly relieved," Ackerman said. "War conditions have taxed all transportation facilities to the limit, and increase in the number of bus passengers has placed a heavy burden on the main San Francisco depot," he pointed out. "We believe this diversion of the heavy Peninsula traffic to Seventh street is the answer to the problem until such time as the permanent depot can be constructed on this site."

For the further convenience of passengers arriving in San Francisco from Monterey, Pacific Grove, Hollister, and Santa Cruz, buses from these points will also stop at the new Seventh street temporary depot before proceeding to the Fifth and Mission terminal.

senger service, a division which works from the control center. However, the messenger service will be extended all over the city for civilian defense use in case telephone lines are put out of operation.

The Civilian Defense Council was advised, at their last meeting, of the resignation of Louis Lengfeld from the post of deputy local defense co-ordinator in the San Mateo County Defense Council. The local group has not yet been advised of a successor to Lengfeld.

Another development in the county which caused local concern was the possibility of a paid executive director for each local defense office in the county, a plan introduced recently by the county. However, both local defense heads and city officials were satisfied that there was no need for the job in Daly City's set-up. County officials advocated the plan after finding that much pressure of civilian defense duties were upon volunteer leaders in some cities. Members of the city council here, though, expressed satisfaction with the administration of civilian defense training, organization, and other development to date, pointing out that a paid director would be an added and unnecessary expense in Daly City.

The Civilian Defense Council proclaimed Sunday, September 13, as Civilian Defense Day in Daly City when practically all of the active volunteers now engaged in schooling will have completed basic training. Those who completed basic training will be awarded diplomas from the national Office of Civilian Defense at the ceremonies in September.

R. L. Crane jr., member of the council who is active in many departments, asked the Civilian Defense Council to be relieved of his duties as Daly City salvage chairman, effective this week. Crane said that he took the job to organize the committee, and now that it is organized and functioning, he said, it could operate without aid from him. Serving on that committee are Mrs. Ethel Dorn and Frank Coughlan. Appointment has not yet been made of a chairman to succeed Crane.

Organize New Group Of San Mateo Horsemen

San Mateo Rancheros, a newly formed group of horsemen in the county, will ride Saturday in the first turnout since they organized under the direction of Ed Allen, well-known Daly City horseman.

Allen, who has been an enthusiastic participant in horse group activities for the past ten years, predicted that this new group of riders will make quite a name for San Mateo county in the future. They will represent the county as a good will group at fairs, horse shows and rodeos in California and other western states.

"Our beautiful horses with their elaborate, silver ornamented saddles, mounted by business and resident members of the county will make a good impression on neighboring counties of the wonderful possibilities San Mateo offers for the sport and outdoor ride," Allen declared.

certain employees. Councilman Edmund Cavagnaro, arriving after voting had already been effected also was opposed to the rate of increase.

Through the adoption of a resolution, the council set the date of hearing for Monday, July 13, for the issuance of bonds on assessments for south end street work. Legal action against the city has been postponed, pending the question of legality of certain assessments. The city was restrained from issuing bonds on the assessments.

An expenditure of $100 for landscaping the property surrounding the two new firehouses was authorized by the council.

A complaint was submitted to the council and referred to the police department. It dealt with improper parking across the street from the Daly City theatre. Cars parked angularly to the curb on the east side of Mission street apparently make it necessary for northbound cars to run over the safety bars of the pedestrian lane near that point.

sitions of other nations, the Daly City Band will play under the direction of George Brenner, conductor. After the national anthem, the band will open with the United States Navy's official song, "Anchors Aweigh."

The army will be honored when the band features the "United States Field Artillery March." Other patriotic marches which the band will play are "Old Glory Triumphant," "March Them Basses," Sousa's immortal "Stars and Stripes Forever," and one of Conductor Brenner's own compositions, "Land of Liberty."

Beside the patriotic airs, the band will also render a pair of show selections, "The Firefly," from the musical of the same name, and "The Ranger's Song" from "Rio Rita." Other special numbers will include "A Night in June," "Valse Scherzo, Toronto Bay," an overture, "Morning, Noon, and Night," and "Serenata Egyptienne."

Miss Alba Canale, popular soloist who has appeared in previous performances with the band, will sing two patriotic airs, "A Real American," and "American Patrol."

Volunteer workers who are making house to house canvasses for the USO drive reported much success and fine cooperation from Daly City residents. Last reports of the amount collected was $1,500, according to tabulations, early this week.

charge for the information.

The Consumer Information center plan, rapidly being established all over the nation, is a product of the OPA for the purpose of avoiding unnecessary price raises and profiteering.

Mrs. Eason announced that the Consumer Information center in Daly City will be open every Tuesday between the hours of 1 p. m. and 4 p. m. She added that, if occasion warranted, the time would be increased to twice a week. Serving as a committee under Mrs. Eason are the members of the Women's Civic club. The club members help in relaying information to housewives during office hours.

Native Daughters Hold Annual Convention

The fifty-sixth annual convention of the Native Daughters of the Golden West convened in Oakland, June 15. The sessions concluded, June 17, with the installation of new officers under the leadership of their grand president, Mrs. Claire Lindsey, San Francisco.

Among the more than five hundred delegates at the four-day convention were Mrs. Hattie Kelly, Mrs. Florence Flynn and Mrs. F. Donofrio, representing El Carmelo Parlor No. 181, of Daly City.

The passage of a major set of emergency resolutions outlining woman's role in the war effort was the major accomplishment of the convention.

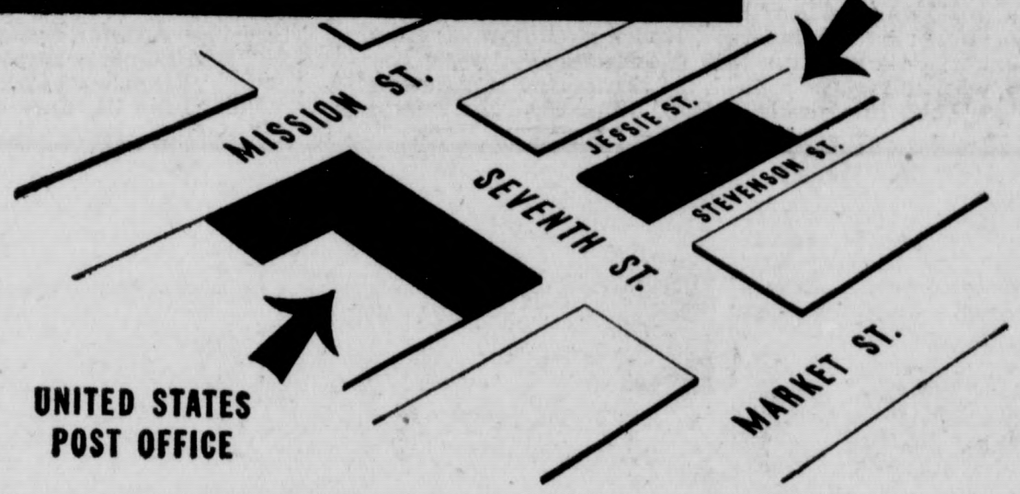
Important Announcement for Peninsula Commuters



PENINSULA INTERURBAN DEPOT

Opens Monday, June 29

THE INCREASE in number of bus passengers caused by war conditions has placed a heavy burden on the main Greyhound San Francisco Terminal at Fifth and Mission Streets, creating congestion, delay, and inconvenience to our patrons. In order to relieve this situation, as well as to give better service to Peninsula commuters, a temporary Interurban Depot has been established on Seventh Street in San Francisco for the exclusive use of Peninsula bus riders.

Effective Monday, June 29th, all local Peninsula service between San Francisco and San Jose will operate into and out of the new Peninsula Interurban Depot, located at Seventh Street between Market and Mission Streets, directly opposite the main United States Post Office, as shown on map above.

IMPORTANT: Effective June 29th, there will be no local Peninsula service into or out of the Fifth and Mission Streets Terminal.

TWENTY-MINUTE DINNER

Here's a standby one-dish meal. Heat frankfurters and sauerkraut together until bubbling. Mix prepared biscuit flour as for drop biscuits; drop from spoon into boiling kraut; cover, and boil 12 minutes without peeking. And you have dumplings with frankfurters and sauerkraut.

Three Suggestions that might also be helpful in keeping your husband as well as your Volunteer Office happy are these:

1. Plan all your menus and your shopping in advance. Keep a large stock of canned goods always on hand to fill in the gaps.

2. Set the table and make everything ready in the kitchen *before* you leave for your Defense duties.

3. Prepare such things as meat loaves, macaroni entrees and desserts before you leave.

Matoaka Council Entertains Service Men

Matoaka Council No. 18, D. of P., entertained men in the service stationed in this area, Wednesday evening, June 10. This was the second affair of its kind held by members of the council.

A supper was served at 10:30 p. m. to the more than sixty guests. Dancing was enjoyed.

Installation of officers, elected June 10, will be held in July. Deputy Katherine Keating will act as installing officer.

The council's activity calendar came to a close for the term with an advance night, last night. A class adoption was held last Wednesday, June 17.

Call For Applications For Election Officers

Announcement is made by W. H. Augustus, county clerk, that he will be glad to receive applications from qualified electors throughout the county for appointment as precinct officers for the coming election to be held, August 25, 1942.

These applications will be considered in the order received between July 1 and 10 and may be submitted in the form of letters or on application blanks furnished by the clerk's office. They must be completed in the applicant's own handwriting, showing what position, if any, the applicant has previously had on election boards, also the residence address, that is, street and number or some indication as to the exact location, so that the applicant can be assigned to the proper precinct after such application has been verified by comparison with the registration record.

Any applicant who has moved since last registering as a voter should reregister from new address before submitting application for appointment as election officer.

Drive sparingly and carefully! Every pound of rubber saved is a slap for a Jap.

A Cake For Your Picnic

By Frances Lee Barton

OH! June's the time for picnics
While the grass and leaves are new
And the birds are singing gaily,
Incidentally, so are you.
That's the time to pack your hamper
With a picnic caramel cake
And enjoy an outdoor luncheon
At your favorite mount or lake.

Picnic Caramel Cake

2 cups sifted cake flour; 2 teaspoons double-acting baking powder; ½ teaspoon salt; ⅔ cup butter or other shortening; 1½ cups sugar; 3 eggs; ⅔ cup milk; 1 teaspoon vanilla.

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream butter, add sugar gradually, and cream together until light and fluffy. Beat eggs until very thick and light; add to creamed mixture and beat well. Add flour, alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla. Bake in two greased 9-inch layer pans in moderate oven (375° F.) 25 minutes, or until done. Spread your favorite caramel frosting between layers and on top of cake. Double recipe for three 10-inch layers and bake in moderate oven (375° F.) 30 to 35 minutes.

George Hopman III Christened, June 14

George William Hopman III, seven week old son of Mr. and Mrs. George Hopman, 64 Eastlake avenue, was christened at Our Lady of Perpetual Help church, last Sunday, June 14. Reverend Raymond J. Hore performed the rites.

Miss Catherine McKeown and Larry McKeown, Daly City, were named as the baby's godmother and godfather.

At the close of the ceremony a turkey dinner was held for relatives at the home of the baby's grandparents, Mr. and Mrs. F. J. McKeown, 44 Los Olivos avenue.

George is the Hopman's second child. He has a sister Judy Ann. Hopman is an officer on the local police force.

Ice Follies Set July 4 Matinee

First daytime performance of the spectacular new Ice Follies of 1942, now playing nightly at Winterland, in San Francisco, will be held Saturday afternoon, July 4, it was announced this week.

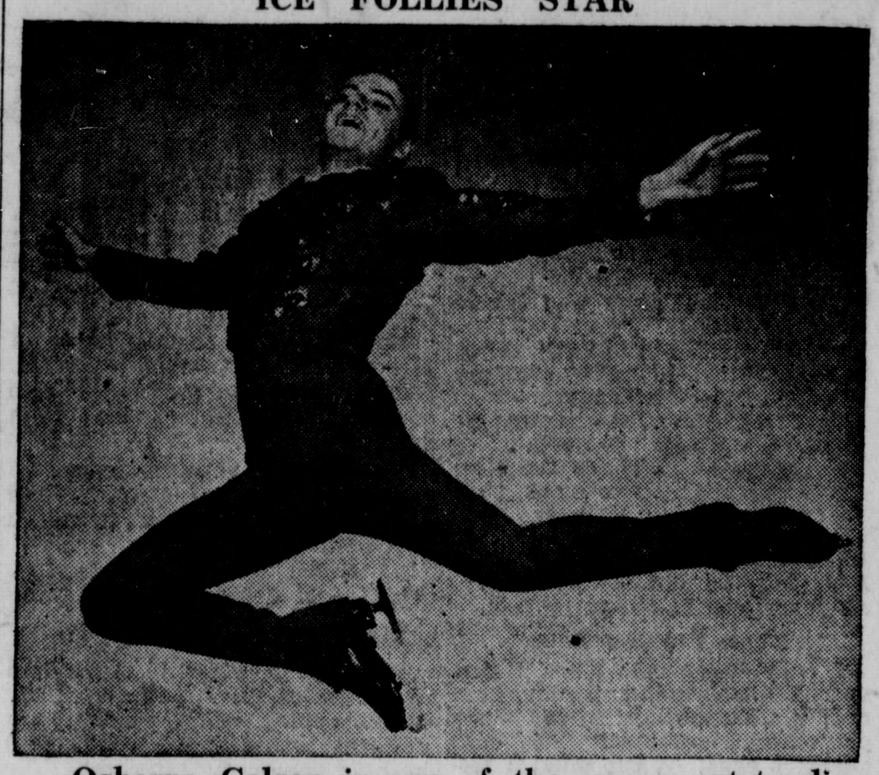
The special matinee was set in response to thousands of requests, a large part of which came from those planning to visit San Francisco over the holiday week-end.

The same great cast of stars and the same sparkling ensembles which appear nightly in the new Ice Follies will be on the program for the matinee, which is the only daytime show now scheduled by the dazzling revue.

International skating stars featured in "the world's greatest musical revue on ice," will all be on hand for the matinee, it was declared by the management. They include Eddie Shipstad, Oscar Johnson and Roy Shipstad, producer-stars of the Ice Follies; Bess Ehrhardt, "America's Sweetheart of the Ice;" Frances Claudet, Osborne Colson, Frick and Frack, the Galbraith and McKellen brothers, Papez and Zwack, the 50 dazzling "Ice Follettes" and many others.

The San Francisco engagement of the Ice Follies is carrying on the tremendous boxoffice records set by the glittering show throughout the East during the last winter season, when virtually all performances were sold out.

ICE FOLLIES STAR



Osborne Colson is one of the many outstanding performers of the Ice Follies of 1942, now at Winterland, Post and Steiner streets, San Francisco. Only matinee of the season is planned for July 4. See story at left.

NOTICE OF HEARING

BOARD OF SUPERVISORS, COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

IN THE MATTER OF THE PETITION FOR THE ANNEXATION OF TERRITORY TO THE COLMA LIGHTING DISTRICT.

NOTICE IS HEREBY GIVEN, that a petition was filed with the Board of Supervisors of the County of San Mateo, State of California, on the 2nd day of June, 1942, requesting the annexation of certain contiguous territory to the Colma Lighting District of the County of San Mateo, to-wit:

All those certain tracts or parcels of land lying and being contiguous to and southeasterly from the said Colma Lighting District, and being between the southwesterly City Limits of the City of South San Francisco and the southeasterly boundary line of said Colma Lighting District and between the northerly line of El Camino Real and the southerly boundary line of the Abbey Homestead Subdivision, which proposed annexation is more particularly described in the petition hereinabove mentioned and now on file in the Office of the County Clerk of San Mateo County.

Said petition is signed by twenty-five per cent of the bona fide owners of real property in such contiguous territory so proposed to be annexed, and reference is hereby made to said petition for full particulars.

And further notice is hereby given that said Board of Supervisors has fixed Tuesday, the 7th day of July, 1942, at the hour of eleven o'clock, of said day, or as soon thereafter as said matter may be reached, as the time, and the Supervisors' Chambers in the Court House, at Redwood City, California, as the place for hearing said petition and for hearing any protests there may be against the annexation of said territory to the said Colma Lighting District.

By order of the Board of Supervisors.

Dated: June 2nd, 1942.

W. H. AUGUSTUS,
Clerk of the Board of Supervisors.

Quirmbach To Serve On Jubilesta Committee

Arthur Quirmbach, commander of Daly City Post No. 410, American Legion, will serve on the reception committee of the Jubilesta, Saturday evening. The affair, the biggest American Legion event of the year, will be held at the New Deal Civic Club, San Mateo.

Quirmbach announces that the affair is open to the public, and many local legionnaires are expecting to attend.

Dr. John N. Blood, second vice-commander of the Twenty-sixth district, will act as general chairman. Fred Lamb's orchestra will furnish the music for this fifth annual affair.

Red Cross Seeks Cards For Service Men

American men leaving west coast ports for fighting fronts abroad want to do a bit of playing while they're at sea, and they want bridge decks, pinochle decks and small games.

The number of decks of cards turned over to the men thus far has not even dented the problem of recreation aboard ship, and the San Mateo County Red Cross chapter said today army officers had requested that literally thousands of decks be given.

The cards and games contributed by San Mateo County men, women and organizations should be mailed or taken to one of the following locations: Red Cross chapter house, 224 Primrose Road, Burlingame; the Red Cross volunteer service headquarters, El Camino Real and Santa Inez, San Mateo; the American Women's Voluntary Services, 1433 Burlingame avenue, or 43 Third avenue, San Mateo.

Town Hall Presents Author, June 30

Town Hall, as a special summer feature is presenting the distinguished author and lecturer, Elizabeth Pickett Chevalier, at the Curran, Tuesday morning, June 30, at 11 a. m. She will discuss a subject of timely interest, "Woman's Place in America's Wars" covering the Civil, Spanish American, the First and Second World's Wars. Miss Chevalier was with the Red Cross during the first war and stayed in that organization until 1924. She is also a very entertaining speaker and her services on the lecture platform are much in demand.

She has done a great deal of movie work, writing and research. Her latest book, "Drivin' Woman" to come out, June 30, promises to be one of the best sellers.

Seats are now on sale at Town Hall headquarters in the Clift hotel.

Formal Dance Held For Grammar Grads

Graduates of all three grammar schools were guests at a formal dance, Saturday evening. The gala affair was given in honor of Rose and Benny Greenough, 282 Irvington street, by their aunt, Mrs. H. Anderson, San Francisco.

Dancing began at 8 p. m. at Masonic hall. Decorations were all done in gold. Music was furnished by a juke box donated by A. Johnson.

At 11 p. m. the two honored guests led the grandmarch, after which a buffet supper was served. Mrs. Gladich and daughter, aunt and cousin of the honored guests, served the crowd.

Entertainment was furnished by Regina Cuneo and Shirley Shilling, who sang several numbers, and Beverly Ainsworth who presented the group with a piano selection.

A theatre party was held, Monday evening, at the local theatre for members of Crocker's graduating class.

Married Men Eligible

Married men who are college graduates, between 20 and 30, with two semesters of mathematics, are now eligible for entrance into the United States Coast Guard officer training school, it was announced today.

Candidates who successfully complete the four months' training course at the Coast Guard Academy, New London, Connecticut, will be commissioned as ensigns. For information apply at Coast Guard Recruiting Office, 110 Custom House, Washington and Battery streets, San Francisco.

Large Crowd Sees District Graduation

(Continued from Page 1)

district presented a musical entitled "King Koko."

Ben Picetti, graduate of Jefferson school, won the award from the Daly City Unit No. 410, American Legion auxiliary, for the school district's highest ranking scholar. The award was presented by Mrs. Naomi Murphy, unit president.

Rita Nolan, Jefferson; Myrna Park, Crocker; and Charles Hicklin, Woodrow, were winners of PTA awards for high scholarship in their respective schools. These awards were presented by Mrs. Virginia Lagomarsino, president of the Colma unit; Mrs. Hazel Cassasa, president of the Crocker unit; and Mrs. Hazel Keagle, president of the Woodrow unit.

A boy and a girl from each of the three schools won awards from Daly City Post 410, American Legion, for character and citizenship, presented by Post Commander Arthur H. Quirmbach. Winners of these awards were Inez Chelone and Norman Stanghellini, Jefferson; Ina Mae Sadler and Benjamin Greenough, Crocker; and Amelia Capurro and Frank Devlin, Woodrow.

District Superintendent of Schools R. L. Crane jr. presented diplomas to graduates.

"King Koko," the operetta was greeted with a great deal of enthusiasm and much applause by the spectators. With a large cast and accompaniment of a chorus and orchestra made up of students, the operetta was presented in a South Pacific island setting.

Miss Marjorie Tobias was responsible for the direction of the operetta, assisted by Miss Aileen Suber and Miss Marie Traynor. Vocal numbers and music were supervised by Mrs. Muriel Vint. Mrs. Ruth Mayo arranged for the costuming of the operetta, and the stage scenery was managed by Mrs. Rose Corral.

Maintaining and Operating

For the fiscal year ending June 30, 1938, the total Panama canal expenses amounted to $12,648,594.48. The total earnings of the canal for that year amounted to $3,252,970.16.

YOUTHS 18 TO 20

(Continued from Page 1)

istrants in Brisbane, Bayshore, and South San Francisco.

Tuesday's registration will mark the fifth signup period for inventory of America's manpower since the selective service act was passed two years ago. Men between the ages of 18 and 20 years, namely, those born on or after January 1, 1922 and on or before June 30, 1924, are obliged to register.

All five registration places in the Daly City Draft Board No. 103 territory will be open from 7 a. m. to 9 p. m. Tuesday. Men may register at any time between those hours. Registration should take no longer than five minutes for each individual, Dr. McGovern said, if the registrant has all information ready. He will be asked:

1. Name of registrant.
2. Place of residence.
3. Mailing address (if other than place of residence).
4. Telephone.
5. Age in years and date of birth.
6. Place of birth.
7. Name and address of person who will always know registrant's address.
8. Employer's name and address.
9. Place of employment or business.

The services of eight registrars in Daly City headquarters and two in the Colma district have been volunteered by local women, some of whom served in former registrations. Following are registrars who volunteered to help in Daly City: Mrs. Ann Warchot, 3299 San Jose avenue; Mrs. Marcie Trier, 158 Woodrow street; Mrs. M. Ford, 65 Park View avenue; Mrs. Hazel F. Mallen, 529 San Diego avenue; Mrs. Louise Smedley, 328 Santa Barbara avenue; Mrs. Ida Hanley, 43 Woodrow street; Mrs. M. S. Johnson, 401 Westlake avenue; and Mrs. A. L. Stockton, 49 Crocker avenue.

Colma registrants will be assisted by two volunteer registrars, Mrs. Ida Garibaldi, Mission and Market street, Colma; and Mrs. Louise Zanetti, 10 Cavour street, Daly City.

State, not Federal

Contrary to the general belief the states in the union pass the laws about the U. S. flag, and not the federal government. It is against a state law to abuse, or desecrate the flag of the United States, but it is not against the law, except in Massachusetts, to abuse the flag of a foreign nation.
